

UNIVERSITY OF GUAM  
SCHOOL OF EDUCATION

# M.Ed Innovations in Teaching and Learning

Refine your teaching and professional practices

Rejuvenate your love for teaching and learning

Reconceptualize your professional self as teacher researcher  
and change agent

## Additional reasons to start this program now!

- A blend of face to face, hybrid, and on-line classes to reinforce cohort camaraderie
- Research experiences woven throughout the program to support and scaffold your Action Research Study
- Deliberately designed learning experiences to explicitly align with your reality
- Ability to reclass to Teacher III after 18 credits and reclass again to Teacher IV upon completion of the program! Both result in two notable pay increases.
